

PROFESSIONAL EXPERIENCE

AC MARTIN PARTNERS / ASSOCIATE, DESIGNER II / 2015 - PRESENT

Engaged in multiple design pursuits on aviation, civic and residential projects, from competition through CD phases. Additionally lead the 3D visualization and model making efforts for the firm. Was made associate in 2018.

APPLIED MINDS, LLC / ARCHITECTURAL DESIGNER / 2014 - 2015

Worked in an extremely diverse work setting, alongside engineers, programmers, fabricators, UX designers and inventors. Mostly engaged on spatial installation projects and Revit Component design. Gained invaluable exposure to how different fields approach the design process.

UCLA:AUD IDEAS CAMPUS / FABRICATION SHOP ASSISTANT / 2013 - 2014

Supervised and maintained the model building facility. Tasked with devising means and methods to build things of all shapes and sizes in effective way. Acquired skills in running and servicing a CNC machine, a laser cutter, basic operation of a KUKA KR150 robotic arm. Also learned fiberglass fabrication techniques.

PROJECT FROG / DESIGNER / 2013

Worked on lease from HMC Architects, in partnership to design kit-of-parts school facilities. Gained knowledge of pre-fab structures and the intricacies of their design and documentation in Revit.

HMC ARCHITECTS / DESIGNER / 2009 - 2013

Worked in a studio specializing in higher education projects, domestic and international competitions. Gained experience in core architectural areas, from presentation graphics and 3d renderings to preparing construction drawings and details.

K.L. CHARLES ARCHITECTS / ASSISTANT DESIGNER / 2005 - 2009

Assisted on all phases from Rendering Revisions to Construction detailing and delivering submittals to municipal agencies. Learned drawing set structure, design process on traditional Design-Bid-Build commercial projects. Extensively used 3ds Max for video fly-through rendering
